Students will log their Field Experience hours for their course using Anthology Portfolio. If you'd like, you can create a link in your Blackboard course which will connect directly to Portfolio.

2

From your Course Content, click the plus sign to create new content.

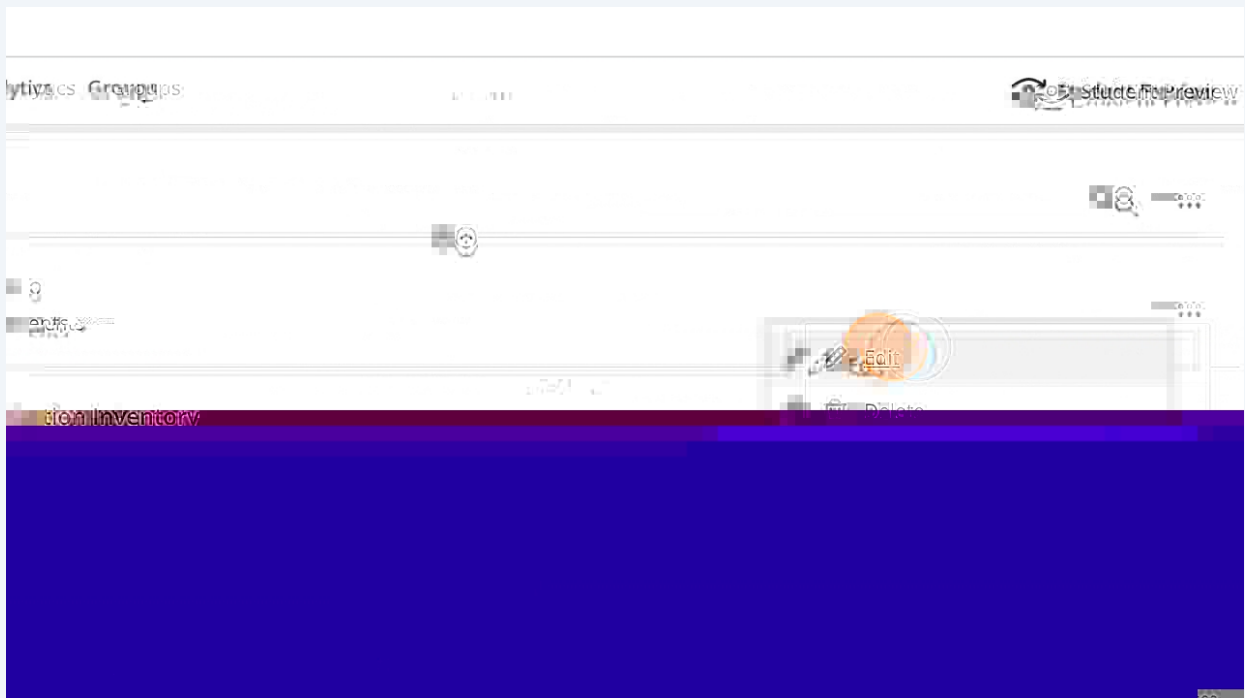

3 Click "Content Market"

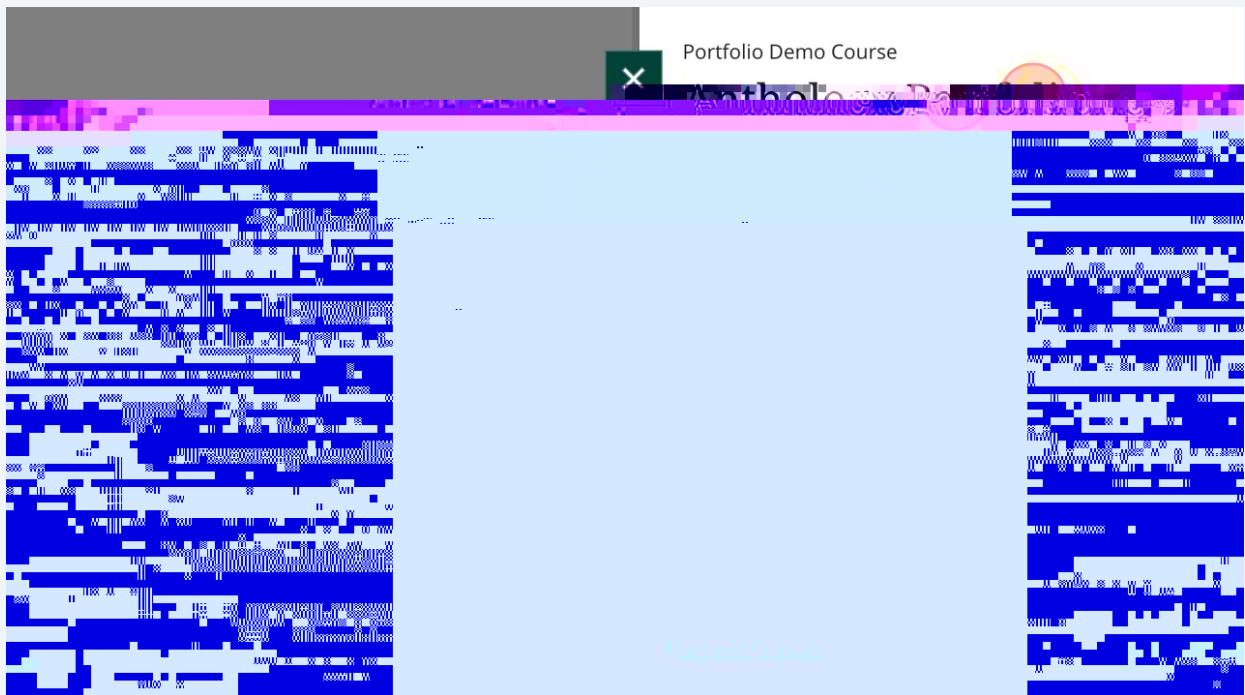

4 Find the icon for "Anthology Portfolio," then click the plus sign.

- 5 Once you have created your link, you can use the menu to choose "Edit"

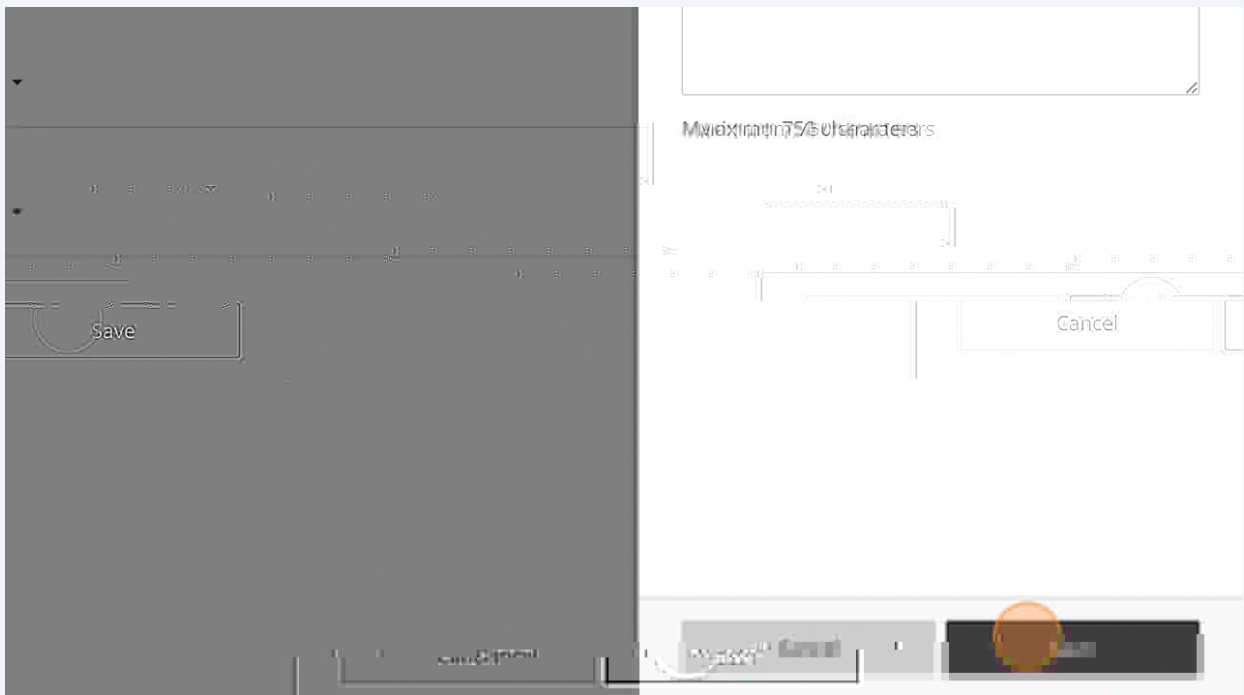

- 6 Double-click "Anthology Portfolio" if you would like to change the name of your link.

7 Click "Visible to students" to make the link visible to your students.

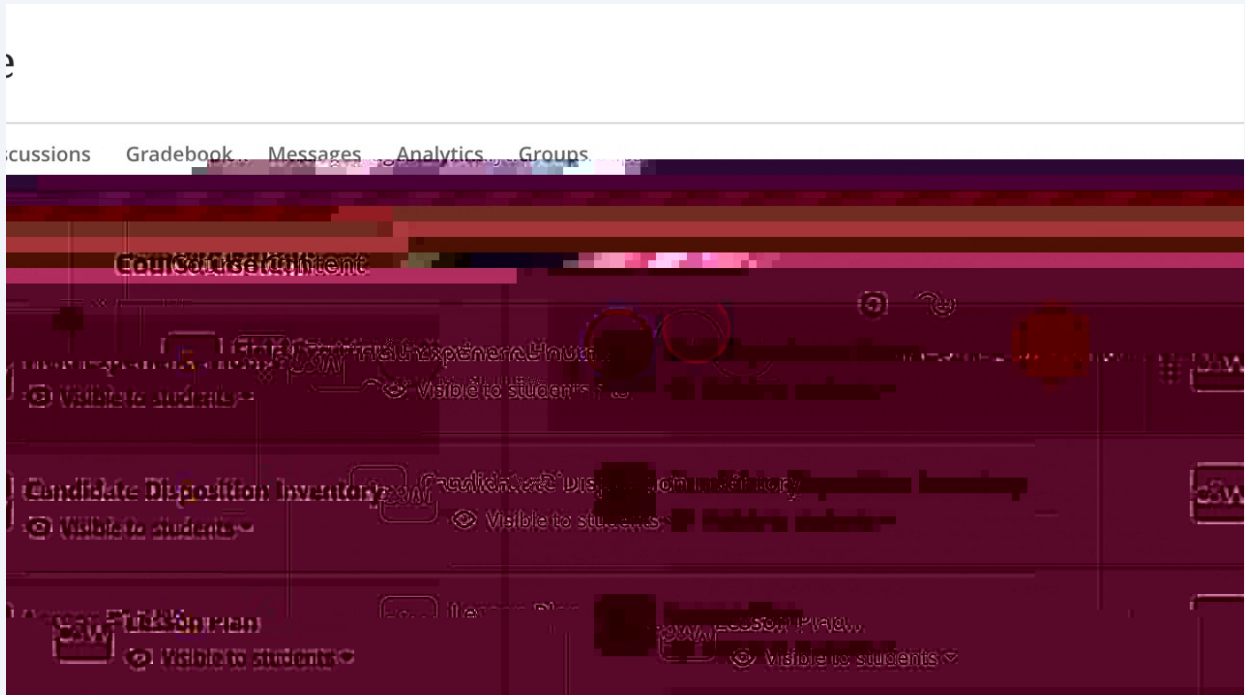

8 Click "Save" when you are done making edits.

9

You now have a link in your course which you and your students can use to access Portfolio directly.

# Approving Student Time Logs in Portfolio

1

When students enter a time log in Portfolio, you will receive an email notification that it is ready for your approval. Click the link in this email to navigate to Portfolio
