Procedures and Requirements for Independent Study Courses  
[Effective Summer I 2007, Revised Fall 2014]

Objective

Independent Study courses provide students with the opportunity to learn about and investigate a topic in depth. Working under the direction of a faculty member, students are able to pursue interests that are a) beyond the university's existing courses or b) briefly discussed in an existing course but not studied in depth. Independent Study courses are a means for students to develop specialized academic knowledge
